

Statement to the Inspector (2)

This is in addition to the previous items submitted by the West Hendon Residents Association.

I am requesting that the Inspector consider the following as they remain relevant.

Based on the decision by an Information Commissioner Office (ICO) review regarding the decision to release the viability assessments report of another regeneration estate in London.

The IOC ruled whilst the protection of community confidentiality is engaged in such a scheme. The public interest favours disclosure.

Thanking you kindly

Derrick Chung

For and on behalf of the West Hendon Residents Association
