18 JUL 2014

Dear Sirs,

**London Borough of Barnet (West Hendon Regeneration Area) Compulsory Purchase Order No.1
2014-07-16**

Further to the letters dated 05.06.14 and 25.06.14 from the London Borough of Barnet, and 09.07.14 from Capita regarding the West Hendon Regeneration Area, I would like to inform you of our concerns.

The above mentioned letters had not taken into consideration the loss of our access and use of green spaces and parks, which we had been enjoying for the duration of our tenancy. Furthermore, there is no indication in these letters of solutions for the planned loss of our parking spaces and the shed, which we currently use as additional storage. I would also like to bring to your attention the growing amounts of dust and mud affecting our home, which causes health problems and general cleanliness issues, respectively. I would be happy if you would address these concerns.

Yours sincerely,

Mrs Dulcie Manage
