Dear India

**The London Borough of Barnet (West Hendon Regeneration Area) Compulsory
Purchase Order No 1 2014
NPCU/CPO/N5090/74016 – Inquiry 20 January 2015**

Rebuttal Statements

Following receipt of evidence submitted by a number of objectors, please find enclosed two copies of rebuttal proofs of evidence for Virginia Blackman and Matt Calladine. With regard to paragraph 20 of the Inspector's Pre-Inquiry Meeting note (CDF.04), the Council has confined the written rebuttal evidence to matters that were not directly addressed in its main evidence. There are likely to be further points that the Council will want to clarify / explain further and these will be addressed in evidence in chief.

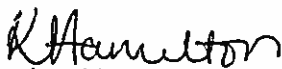

Position Statement

Given the requests made by various objectors for the disclosure of viability material the Council and the Developer have provided a Position Statement (this seemed to be the best way of dealing with the requests) so that the Inspector and the objectors concerned can understand the Council's position before the Inquiry opens.

Schedule of Objectors' Evidence

I also enclose a schedule of objectors' evidence submitted in advance of the inquiry.

Yours sincerely
