

West Hendon Regeneration: Public exhibition on Phase 4

As the regeneration of West Hendon continues, Barratt Metropolitan LLP invites you to view detailed plans for Phase 4 at an upcoming public exhibition.

The exhibition will display proposals for the delivery of over 600 new homes and associated landscaping where Milton Road and Stanley Road currently run. Also on show will be the highways improvements at the Broadway and surrounding roads.

Please join us to view the detailed plans where members of the development team will be present to answer any questions on this future phase of the project.

Please turn over for details of the public exhibition.

HENDON
WATERSIDE NW9
